BPS BOARD OF EDUCATION

The Bridgeport Board of Education held its regular meeting at 7:00 p.m. on November 9th, 2026. The consent agenda included the approval of minutes, financial reports, bills, and payroll. Minutes, Financial Reports and Bills passed with a 6-0 vote. Payroll passed with a 5-0 vote with Kay Anderson abstaining because of a conflict of interest. A lengthy discussion was had on the district possibly moving to 5.0 Grade Point Average and possibly moving to a 10.0 grading policy. The board will again discuss the possibility of moving to these at the December board meeting. Consideration to approve job descriptions was tabled to the December meeting to evaluate them a little more. Mr. Schlothauer reported on the districts 2025-2026 Annual Computer Science Education State Report which is a yearly legal requirement.

Dixon Leisy informed the board that STUCO will be holding a Penny Carnival on December 12th at the school.

Mrs. Reynolds reported that PreACT results will be available to students and teachers before Christmas break. A data review will be scheduled in January to review results, adjust learning targets, and plan for second-semester instruction. The Students Assistance Team (SAT) process has been finalized at both the elementary and secondary levels, and staff training is underway. Additional work in the second semester will focus on assistive technology (AT) and accessible educational materials (AEM). The district website, digital instructional materials, and online platforms will be evaluated to prepare for applicable federal digital accessibility requirements.

Mr. Simmons informed the board that the district is currently reviewing HS math curriculum and exploring replacing the current curriculum.. The elementary will have their annual multicultural fair on November 13th at 1:30 pm. Josef Basa was named as one of seven finalists for Nebraska Kid Governor. Voting statewide is taking place this week.

Mr. Blanco updated the board that winter sports practice started on November 9th. Winter Royalty is November 14th starting at 8:00 pm.

Mr. Schlothauer reported that he is still working on updating policies on the school website. This has been a complicated process and progress is being made. The district has purchased a new bus. The new bus should arrive in February. The annual Veterans Day program will be on November 11th starting at 1:00 pm. The One Acts Dinner Theater will be on November 12th at 6:00 pm. Students will be performing "Suite Surrender" The community is invited.

The district was awarded a Federal Kitchen Modernization Grant. The district has identified the appliances that will be replaced. These updates could potentially take place over Christmas break.

COUNSELOR'S CORNER

Hello From the Counselor's Desk.....

We are getting closer to the end of 1st Semester! Our students have been busy with activities. Everything from college visits, career tours, music competitions, sporting events, and so much more! Recently, I have visited with all incoming 9-12th graders for 27-28 school year to discuss course offerings and anticipated schedules to start planning for next year. Students were excited to discuss future plans and had great questions! As spring approaches, seniors will be busy with scholarships & college applications. Reminder that scholarship information is available for seniors in the Scholarship Canvas Page as well as their emails. They can also come see me for any questions! Deadlines are approaching fast, so it's important to take the intiative and review those, AND frequently check their emails! 🙂 Hope you all have a great rest of the semester, winter break, and best wishes for 2027!

---Mrs. Sterkel

STUCCO HOLIDAY EVENTS

A Christmas store with gently used items will be available courtesy of the Bridgeport NHS Chapter. All items are free of charge for parents looking to give joy to their children this holiday season!

Bridgeport 5th grader, Josef Basa ran for Nebraska's next Kid Governor and finished second in the voting. Josef is the son of Rhea and Jose Bey Basa and represented his class, school, and community very well. Please see below for more information on Nebraska's Kid Governor.

Nebraska's Kid Governor® is an award-winning civic education program led by Civic Nebraska and created by The Connecticut Democracy Center. The program is presented with major funding and partnership support from CT Humanities.

This ground-breaking approach to civic education immerses 5th-grade students in learning about state government, elections and voting, and civic participation through a real-life election for their state's Kid Governor. Each registered class can nominate one student for the election, vote in the election, or both. Nominees must research and run on a platform that addresses a community issue they care about. Together with classmates, they create a campaign video about their platform. Fifth-grade voters watch the videos of seven finalists during the Statewide Election in November and vote for the candidate and platform they want to support. The student with the most votes is elected Kid Governor and the six finalists serve as their Cabinet. Together, they serve a one-year term of active leadership and work to advance their platforms.

For more about Nebraska's Kid Governor® and the Statewide Election, visit NE.KidGovernor.org or follow @NEKidGovernor on Facebook, Instagram, Twitter, and YouTube.

2026–2027 BHS Booster Club
Supporting Our Bulldogs, Building Our Future!

Dear Parents, Businesses, and Community Members,

We invite you to become a member or sponsor of the Bridgeport High School Booster Club.

Our mission is to support and encourage our students by helping provide opportunities, activities, and memorable experiences throughout the school year. The success of these efforts depends on the generosity, involvement, and continued support of our families, local businesses, and community.

Whether you choose to become a member, volunteer your time, or participate as a sponsor, every contribution makes a difference. Your support helps us continue building a strong school community and creating positive experiences for our Bridgeport Bulldogs.

We sincerely appreciate your consideration and continued commitment to our students and school.

Please review the enclosed membership and sponsorship opportunities and return your completed form by January 15, 2027.

Thank you for being part of the Bulldog family. Together, we can make a difference!

With appreciation,

BHS Booster Club
